“DAS Demystified”

Presented by Ryan Foucault, President and Owner of DAS Connexion

Ryan has over 10 years of distributed antenna system (DAS) experience covering hundreds of millions of square feet of enhanced wireless coverage, across the U.S. His many years of DAS expertise includes wireless projects for health care, sports arenas and government facilities, involves both new construction and remodels. Ryan has a passion for making certain our first responders have dependable radio communications in each building. He and DAS Connexion are excited to help you learn how to deliver a first class DAS solution to your customer.

Talking points include: International Fire Code (IFC), IFC Section 510, NFPA 72, California Fire Code, 2-hour Survivability, Pathway/Conduit, 24 UPS, Environmental Considerations, AHJ Coordination, Carrier Coordination, Budgeting and Estimating.
