“Bluebeam Revu 2017: Ready for Takeoff”

Presented by Hannah Swanson – Sr. Specialist/Account Development, Bluebeam, Inc.

Bluebeam, Inc. develops smart, simple PDF creation, markup and editing software that set the standard for collaboration and workflow efficiency for architects, engineers and construction professionals worldwide.

Please join Hannah Swanson, Senior Account Development Specialist at Bluebeam, for a focused look on performing quantity takeoffs using Bluebeam Revu and Studio. The presentation will include an overview of core Revu features and will highlight the new takeoff workflow enhancements in Revu 2017. Join us and learn how to leverage the power of Revu to create higher quality bids that give you the competitive edge.

Hannah is a Senior Account Development Specialist at Bluebeam, Inc., where she leverages seven years of complex project management and business development experience at leading finance and technology companies to help her clients optimize workflows and increase efficiency with Bluebeam Revu and Studio. Hannah channels her passion for process improvement to help her clients improve project communication and streamline processes to help improve their overall business.

Prior to joining Bluebeam, Hannah was an Associate at The Capital Group, and earned a Bachelor's of Arts with honors from the University of Chicago.
