President's Message

January 15, 2020

A message from your president

Wishing everyone a happy and prosperous 2020! This month we had our monthly dinner meeting at the usual location, the Ayres Hotel in Costa Mesa. We were very fortunate to have as our guest speaker and OC member Jenna Swiecki CPE, Estimating Manager for Kaiser Permanente, who gave an excellent presentation on Target Value Delivery Estimating. Jenna discussed lean construction culture, pre-planning, design decision making, disciplined approach to cost & design document tracking and the transition from the design to construction. It was a very informative presentation. We had over 40 people in attendance, which was a great way to kick-off the new year.

I hope to see all of you at the next dinner meeting to be held at the Ayres Hotel, in Costa Mesa on Wednesday, February 12th. Brandon Decker of Cannon Design will be discussing estimating for Progressive Design Build Projects. Look for the upcoming flyer.

Please don't forget to pay your national & local ASPE dues as they were due on December 31st. We appreciate your support.

Best Regards,

Dan Schottlander, CPE ASPE Chapter 3 President.

ASPE CHAPTER 3: OBJECTIVE:

The object of this Chapter is to further the recognition of construction estimating as a professional field of endeavor.

We wish to promote education and contribute to the betterment of the construction industry.

We observe and promote ethical standards of conduct.

This Chapter contribute to the establishment and publication of standard construction estimating practices.

We want to promote the certification program by which professionalism to construction estimating and adherence to these standards is recognized.

Upcoming Programs in 2019:

February 12: “Progressive Design Build and Delivery Benefits ” by Brandon Dekker of Cannon Design

March 12: Presentation on “Building Energy Modeling” by Charlie Christenson of STOK
