## ASPE Chapter 3 Orange County News Letter No. 31: March 2020

### President's Message

March 26, 2020

A message from your president

On March 11th we had our monthly dinner meeting at our usual location, the Ayres Hotel in Costa Mesa. As always, the food, service and venue were excellent. Charlie Christenson of Stok gave a presentation on energy modeling systems for the design of new buildings. Charlie discussed life cycling costs and modeling for different building components and building systems, and how much carbon energy each item produces over the life of a building. A new trend with owners is understanding the carbon energy that it takes to produce building materials such as concrete or steel and as an owner how to reduce these energy costs as well. It was a very interesting presentation.

I hope to see all of you at the next dinner meeting to be held at the Ayres Hotel, in Costa Mesa on Wednesday, May 13. The April 8th meeting has been cancelled. Look for information in the upcoming flyer.

I would like to personally welcome new members Ty Keith of Rosendin Electric and Cary Stump of Stump Consulting to our OC Chapter.

Best Regards,

Dan Schottlander, CPE ASPE Chapter 3 President.

**Vice President:** Danielle Leyva CPE

**Past President:** Kevin Murphy CPE

**Secretary:** Bryon Barker

**Treasurer:** Asoka Sellahewa CPE

**Directors:** Daniel Luckhardt CPE;  
Mike Mills CPE; James Yu;

Troy Thomas

**Committees:** Tom Smithson (Meetings)

Wil Beukman CPE (Newsletter)

## Chapter Newsletter Articles

We are always looking for articles for the Orange Speel newsletter. These can be informational or technical in nature. Share a recap of a program/ seminar attended, estimating tips, articles on ethics, or other construction/ estimating related items. The deadline for submittal is the Friday following our membership meeting. Any arriving after that will be considered for the next month. Items can be sent to Wil Beukman at [wbeukman@gmail.com](mailto:wbeukman@gmail.com).

3,000 year old building work being excavated

Charlie Christenson from STOK

### ASPE CHAPTER 3: OBJECTIVE:

The object of this Chapter is to further the recognition of construction estimating as a professional field of endeavor.

We wish to promote education and contribute to the betterment of the construction industry.

We observe and promote ethical standards of conduct.

This Chapter contribute to the establishment and publication of standard construction estimating practices.

We want to promote the certification program by which professionalism to construction estimating and adherence to these standards is recognized.

## Upcoming Programs in 2020:

**April 8: Cancelled**

**May 13: TBD**
